General Information

DOVISTA Specialised Approved Partners have the resource capabilities that allow them to take on the full portfolio of DOVISTA projects ranging from the simplistic punched hole projects to the higher complexity type that may include enhanced variants of our product range.

Fully understanding and servicing the customer needs are key requirements of a Specialised Approved Partner and all are experienced in dealing with and satisfying our full Commercial customer base.

Being flexible and having the resource levels available to cope with the fluid manner of the Construction Industry enables our Specialised Partners to work with and adapt to the many variations that arise on a day-to-day basis while still being able to maintain programme, the same flexibility also allows for adaptation whereby programmes become accelerated

Approved Specialised Commercial Partner List

Their core business is to offer Main Contractors, irrespective of size, a professional, reliable proactive service.

When engaging with a DOVISTA Approved Partner all customers will receive the standard six-year Installation warranty which is solely reserved for Partner Network Installations.

A standard installation would include;

- Full-time on-site supervision (SSSTS Qualified)
- Dedicated visiting Installation Managers (SMSTS Qualified)
- Fully compliant project specific Health and Safety documentation
- Supervised off load of delivered product
- Visual check and balances to ensure quality and quantity
- Progressive hand over procedures
- Full compliance with Design Construction Issue Drawings
- Assistance and advice with on-site anomalies
- Provision for specialist brackets where annotated and designed
- Provision for specialist steelwork where annotated and designed
- Provision for DOVISTA Approved ancillary materials where annotated and designed
- Provision for aluminium profiles i.e. cills, pods, shrouds where annotated and designed as part of the DOVISTA package

Other Services

Each Specialised Partner may be able to offer Bespoke Services that fall outside of the DOVISTA Project Package and would be happy to engage with any enquiry made.
